<p>4</p>	<p>Questions to the Headteacher</p> <p>Governors were reminded to send questions out related to the SMIP (especially teaching and learning) to the Headteacher or the Clerk before the meeting.</p> <p>Following CH and SC's questions about SEF & SMIP sent out in advance, CB replied accordingly before the meeting. CH discussed those questions and answers at the meeting.</p> <p>1. SEF - aims and values (vision) - could we have a quick update on where the SLT are in developing this and discuss what contribution is required of the Governing Board to help finalise this. P&C minutes from 23/2 suggest MG was looking at three key words to symbolize the school's ethos/British values.</p> <p>CB said that she had not heard from MG re this - this does need to be done by year end, preferably the end of this month.</p> <p>2. SEF - This is a really strong document. I have no queries other than can we know which other local schools are being supported by Bowhill with early years writing development?</p> <p>CB appreciated this question and believed that SEF reflects where we were. This is one area where all 4 schools in the proposed MAT are likely to be working together so they have both SEF and SMIP in the same format.</p> <p>Re the support from F/S, St Thomas - writing, St Nicholas - reading + lowering difference in attainment between boys and girls, Newtown - writing, Ladysmith - reading and writing.</p> <p>3. SMIP - 3.4 safeguarding training - is it possible to have an update on progress in staff training (FGM/Prevent/Pips)?</p>	

CB said, "All teaching staff have been trained in PREVENT and they are still awaiting some of Reception to do online training for the certificate. TA's have not had training. All teaching staff had FGM last year by Claire Kelley, Jackie Nicolle did FGM training for TA's September inset day (any new starters receive information sheet in their safeguarding pack). All staff have also received an information sheet on CSE."

PIPS - all staff received initial training last year. Full training undertaken this year by staff most likely to be involved in manual handling, (3 attended teachers and TAs)

Queries from the previous minutes 19/4/16:

4. Could we have some feedback from the meeting last month between Rebecca Cosgrave and KS2 teachers on writing?

CB circulated Rebecca Cosgrave's Literacy Report. The purpose of the visit was:

- To consider: Safeguarding Issues/Best Practice/Supporting Improvement
- To support KS2 teachers with developing planning for literacy

5. Parentview has 46 responses, all very positive but there is one family (identified as 2%) who is clearly unhappy and disagreed/strongly disagreed with several statements and does not recommend the school. Are you aware of which family this might relate to and do you know whether steps have been taken to address their dissatisfaction?

CB said, "Unfortunately, there is no way of knowing but I hope it has been the experience of parents that any concerns, regardless of the area, had been investigated and addressed if it was felt that there was a genuine complaint. "

6. Do you know if the Year 5 & 6 staff are happy to have their letter to the Governing Board included almost verbatim in these draft minutes (item 8), which will be published on the school website?

Governors agreed to publish the minutes outlining the issues raised and discussed but not including the letter itself, which had been addressed to the Governing Board.

7. It would be good to have some general feedback from the meeting with CB about the issue of merging year groups.

CB replied, "One day (June 15th) has been booked out for current year 5 and 6 teachers to enable planning in more detail also arranging the timetable to allow for single year group teaching in Maths and English which was the area for concern."

8. SC suggested CB should advise the governing body of any changes to staff structure for next year. If there are changes, what benefits do we see; and if no changes, are there benefits to this as well?

CB: "We looked at changes to staff structure at a Governing Body meeting recently with Governors agreeing to a separate lead for lower KS2. This role will be undertaken by Stella Knapman. In terms of which staff will be teaching in which year group, this will be decided when we know our full teaching staff - (Sue Cashmore is still away, due to meeting with me on Wed of this week)."

Governors were in agreement that staff structure and senior leading team will be reconsidered at September's P&C and FGB meetings.

5	<p>British Values</p> <p>Following a considerable discussion, Governors agreed to choose 4 key words to symbolize the school's ethos/British values.</p> <p>Community, Aspiration, Responsibility and Expectation (CARE) best illustrate what the school stands for.</p> <p>CB confirmed that MG's SMSC report had been shared with and well-received by staff.</p>	
6	<p>Well-being – exploring how to look after everyone in our school community</p> <p>Governors expressed their opinions about what they could do as a Governing Body to help with well-being to benefit all in the school community. They discussed several options and possible dates for meeting with staff.</p> <p>CB suggested that she would organise a big lunch for all staff at the very beginning of September 2016 and this was agreed by Governors. The Governing Body is aiming to create more opportunities and channels for better communication between Governors and teachers.</p>	
7	<p>Approval of SMIP</p> <p>Governors have kept monitoring and evaluating the progress of SMIP and considering items for the next phase of SMIP. After assessing the progress made in Amber areas, Governors and CB updated the SMIP during the meeting with almost all of the Amber items being changed into Green based on evidence of improvements presented. There are no Red items left in SMIP.</p>	
8	<p>Approval of SEF</p> <p>Governors have carried on monitoring and evaluating progress of SEF which was newly updated by CB in May 2016.</p> <p>In relation to attendance, CH asked that when reviewing the Attendance Policy in the Autumn term, P&C governors look beyond the statistics and averages and consider how we communicate expectations to parents and how we, as a school, support individuals who are persistent absentees or late arrivals from the more vulnerable groups of pupils (SEN/EAL/young carers etc).</p> <p>CB confirmed there is a series of processes involved to improve attendance and family engagement. It starts with a meeting between parents and Carolyn and Kate. Jackie also provides help with different groups of children. They carefully consider the circumstances under which students' attendance is below 90%. An official letter about their attendance issue will not be delivered unless it is necessary.</p> <p>Governors were agreeable to approving the revised SEF without further questions.</p>	
9	<p>Approval of Safeguarding</p> <p>CB circulated Safeguarding Action Plan 2015-16 to Governors at the meeting and confirmed the priorities.</p> <ul style="list-style-type: none"> ➤ Staff are making the best use of the chronology recording tool – C Poms – to keep monitoring and reporting accordingly. 	

	<p>➤ Additional internal and external training:</p> <p>Teaching staff had training about the Use of Threshold tool by the end of February and completed Prevent training by April.</p> <p>KW & C Br attended D V training in Autumn term.</p> <p>External training which has been booked will allow some of the teachers to participate.</p> <p>➤ An additional Safeguarding governor was appointed.</p> <p>External Safeguarding Audit will form an evaluation in the Autumn term and Internal annual evaluation at year end.</p>										
10	<p>Set annual salaries</p> <p>Governors agreed to delete this item from the current annual agenda cycle because all staff are on agreed pay scales within bands.</p>
