Dear Parents/Carers,

We would like to introduce you to our wraparound care at Bowhill Primary School.

- **Breakfast Club 7.45am – 8.50am** **fee £3.00 per child**
- **After School Club 3.20pm -5.45pm** **fee £9.00 per child**

Both Breakfast Club and After School Club are located in our school's canteen, and offer a healthy snack and lots of outdoor and indoor fun.

Our aim is for your child/ren to have the opportunity to experience a friendly play environment with various activities.

After School has a structured programme to enable children to experience stimulating activities based around the school.

Staff / Safety

For peace of mind all children will be supervised by a team of Play Workers and qualified Leaders and there will be always be a trained Paediatric First Aider on the team. All children will be accompanied to the provision at the end of the day, either by a member of our staff or school staff.

Some of our Activities:

After School Club regularly visits the school's sensory garden and animals – we have five guinea pigs- which offer a time to relax. The children are given the opportunity to learn how to care for the animals and enjoy their company - they love lots of cuddles!

- The use of the school's ICT room is very popular for the children to use to complete their homework, and this is also appreciated by our parents.
- The Community room is where we are able to bake etc, and this allows children space to continue to learn new skills in a fun, relaxed environment.
- We have also been allocated a flower bed to start growing vegetables, flowers and herbs.
- We also make use of the playground and, when available, our MUGA (multi use games area) which the children love.

- All activities are on a rotational timetable to ensure that all the children attending have the opportunity to try all of these additional activities.

Booking information

All bookings and payments are through School Gateway. For more information or a welcome pack please pop in to the office or email afterschoolclub@bowhill.devon.sch.uk and a member of the team will be more than happy to respond.
