

Equality Objectives 2024

At Bowhill, we are committed to ensuring equality of education and opportunity for all pupils, staff, parents and carers, irrespective of race, gender, disability, belief, religion or socio-economic background.

In order to further support pupils, raise standards and ensure inclusive teaching, we have set the following objectives: -

Objective 1: Improved specialist provision for children with SEND and those who have experienced trauma is being developed to help reduced the rate of suspensions of these pupils.

Objective 2: A new PSHE scheme of work will be incorporated into teaching which will further support mutual understanding between children and their families as well as promoting positive attitudes towards each other.

- The curriculum will provide opportunities for children to confront stereotypes in the work place and at school and develop economic wellbeing.

Objective 3: Children on the SEN register will be able to demonstrate and show their progress; they will have a positive view of themselves as an individual and a learner.
