

**Apple juice from
Bowhill's orchard!**

**Apple slices
wrapped up with
cinnamon, sugar
and butter and
cooked over the
bonfire.**

Feel refreshed
Extremely great
Amazing!

**Collecting seeds
for the future!**

HOP NEWS **September – October 2025**

This autumn in HOP Year 6 groups have enjoyed harvesting Bowhill's abundant harvest.

Apples were picked and with great teamwork, groups milled and pressed the apples into delicious juice – what a sense of achievement!

Everyone had a taste of cooked apple slices – it takes confidence to try something new.

Seeds from climbing beans and wildflowers were collected and saved – making sure Bowhill's garden can be self-sufficient.

**Autumn
nature
collages**

**A fine
selection
of den
real estate**

**Bowhill's
sweet
chestnuts**

Mud kitchen bake off!

**What could
your conker
become?**

HOP NEWS **September – October 2025**

Autumn nature, some imagination and patience turned into beautiful creative collages and a collection of conker creatures.

Great joy came from persevering with long loppers and poles to harvest the sweet chestnuts.

With determination, problem-solving and engineering all sorts of dens were constructed.

Meanwhile, in the mud kitchen... inspired by the bake off and their own expressive flare for wild cooking, children proudly served up an exotic range of mud cakes!

FRIENDS OF BOWHILL PTFA

THANK YOU!

HOP sessions this autumn would not have been possible without generous funding from:

Bowhill PTFA

Bowhill Crowdfunder

Devon Community Foundation

The Schreier Foundation

Highmead Farm

Exeter Community Lottery
